

Welcome to Montgomery Nursery School!

We are thrilled to have your child with us at Montgomery Nursery School! Our school has been one of long-standing tradition and has been a part of Church of the Saviour and the Montgomery community for over 58 years. We have been given the gift of unconditional love through Jesus Christ, and we want to share that love with all the children in our school; therefore, all families are welcome regardless of religious belief.

Montgomery Nursery School's mission is to serve as an extension of Christ's love to nurture children as they build relationships with others and develop a love of learning.

*"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."
Mark 10:13*

We fulfill our mission by helping children to grow spiritually, socially, and academically. **Spiritually**, we instill the fruits of God's spirit to the children as they learn about God's love for them and how to reflect this love to others. **Socially**, we strive to create a safe learning community by partnering with families, staff, and the church to teach our children respect for others, confidence, and independence in themselves, and learning appropriate ways to express emotions. **Academically**, we provide our children with a play-based curriculum rooted in the Ohio Early Learning Standards with an emphasis on kindergarten readiness.

"Start children off on the way they should go, and even when they are old they will not turn from it." Proverbs 22:6

We take the responsibility of molding little minds and hearts very seriously and consider it an honor to be a part of your children's lives while they are here at Montgomery Nursery School. Thank you for joining our school community. We look forward to watching your child learn and grow in the time that he or she is with us.

Sincerely,

Erin Sprang
