Monthly Theme: Authors

This month's theme is Authors. The focus this month will be on our favorite authors! Teachers have fun things planned for the first week of the month leading up to Dr. Seuss' birthday. In the later parts of the month, we will be exploring some of our favorite authors and reading lots and lots of books! Younger children will begin exploring the difference between fantasy and reality. Older children will spend time talking about the characters and their feelings and actions. They will also get to hear multiple stories from the same author and will get to compare them.

We are looking forward to another wonderful month of learning!

Fruit of the Spirit:

Gentleness

God designed us to be kind to one another. In all things, we are to be kind, gentle, and loving. This month, the children will learn about how we can be gentle toward one another, especially with our hands. Gentle actions accompanied by gentle words help us to show love and compassion to our family and friends.

Chapel Chat action phrase:
